side story 2.

Random Chapter

Not really. I
don't know why
she'd like that.

Just let
me in.

No.

I don't know
how to deal
with her

I can't under-
stand her
parts...

Did you get
caught up in their
fight again?

Good night, because it's the
dinner time. Bye-bye!

When you first
introduced me to
Yu Geon, he looked
mature.

I think he's
changed a lot since
then. His smile's
really bright.

If she did that
with a graduating
class, they'd get really
pissed off.

She argued
pretty badly
with you.

I'd never seen
you that angry
before.

Even the pro-
fessors had to
get involved.

Check The
Teacher's Journal

Thanks to
that, the test
will succeed

We'll want
succeed trying to
help you too.

The woman is
coming to help us
on the battlefield.

Since Father
expressed this desire to
the Duke for some
reason, I'm managing
this place for now.

Hehe. It'd be nice
if you had this flower
shop and I ran a
cafe next door.

Shut up, I'm
going to a
brother

Me too.

Hanbit, you haven't had your first love yet, right?

Real the girl
you date

Your feelings
are kind of dull...

Like you're
not a person.

You should
just like some-
one for real.

Aren't you
at that age
already?

Or do you like us
that much? But we
can't be together!

Crazy husband!
Wake up!

you ~~crisis~~

Express your
emotions and stuff.

I'm trying my best
and he's suddenly coming
at me. My feelings can
get hurt too

Huh?

No. It's all
my fault.

*what about it
you should*

Huh?

Oh yeah. How
was that vacation you
took a while ago?

You just
picked a bag and
left by yourself.

Back then...

the first place I
went to was...

where I lived a
long time ago

Though I moved
downstate when
I went to middle
school

During
elementary school,
I used to live deep in
the countryside.

The vacation
was an excuse.

I just...

suddenly thought of that
place, so I went there

Oh. The swing
father made
It's broken

Good, it's
still there. Was it
always that small?

Only the
shape is left

My father made it

A space only for
the childhood me

It was in here.
Around here...

Ah
Found it

Son
What's that?

I'm writing down
who I'm going to
meet soon.

To play
together.

Again, yes.
Do you like her
that much?

Yep. She's
cute and plays
with me all the
time.

I want to meet
her again soon.

Father must have
varnished it. It's still
in good shape

Is it because
Haram's young?
She's like a little
sister?

You act like you
like Haram

How so?

You thought worry
about her. You're disappointed
for her. When she's looking at
you and you're looking at
her, then too.

That's liking her,
isn't it?

Oh-

If so, then I...

Probably ever
since then.

What are you thinking?
Henry. Are you perhaps
regretting it?

Nothing
like that.

I was confused
because of Sol. My
feelings were strange-
ly different.

Those flowers
are pretty

Oh, the rhododendrons. They're
pretty. Good to
plant in gardens.

Should I
take the small
one - ?

You seem to
like them.

Yeah-
